Trivia Night

The past few months have been full of fun, learning at Sundown Villas! During February, March, and April, we hosted two exciting Trivia Nights with different groups of students—and both events were a huge success!

The kids had an amazing time putting their knowledge to the trivia while learning more about Canberra's history, culture, and fun facts. There were plenty of laughs, friendly competition, and even prizes for the winners! Not only did the students have a blast, but their teachers also got involved and truly enjoyed the warm and welcoming atmosphere.

Easter dinner

We also celebrated Easter with a special dinner at our Bistro, welcoming two more wonderful groups. The evening was filled with joy and delicious food, as our chef prepared a festive menu that was a real treat! Guests were especially delighted by the colorful Easter decorations and the sweet touch of chocolate desserts to end the night.

We're so happy to have shared this special time of year with such amazing visitors. Thank you to everyone who joined us—these past few months have been a celebration of connection, culture, and community!
